Manager's Message

by Ray Villar

We are proud to announce that we have teamed up with the USDA, California Department of Education Nutrition Services Division and your local school district for the "FREE Lunch Summer Meal Program". The lunch program will be Monday thru Friday from the hours of 1pm to 1:30pm at the Horseshoe Area next to the pool. The program ends August 6th. Yes, I said free. The meals are free to all kids who are 18 and under. Adult price is \$3.50. A copy of the menu will be located at the pool check in booth.

The Summer Meal Program ensures that children continue to receive nutritious meals when school is not in session. This summer, USDA plans to serve more than 200 million free meals to children 18 years and under at approved sites throughout the country. Visit the website below for more information.

Greenbelt Update

by Terry Wild

ACC Report

by Lisa Epperly

May was a very productive month compared to June. In June, both our splitters broke down. One is over 30 years old and the other is a Husky that has had 2 motors replaced within 4 years and 1 on the way. Also, a malfunction in an electrical connection on our chipper brought us to a GRINDING halt in June. One of our Greenbelt trucks, a 95 Ford 150, that looks like a rolling junk yard (I know you’ve all seen it as it rolled by your houses) is about to be replaced in July. In the mean time, I guess we’ll be doing a lot of sawing, as our chainsaws are all still operational. In the summer months, we’ll be restricting our work to areas void of dry grass, as we try to avoid starting fires caused by hot catalytic converters and sparks from chain saws. As always, we’re looking for a few good men/women to join us on the Greenbelt on Mondays and Thursdays from 8:15am to 11:30 am. We meet at garage behind the POA Recreation hall. Work at your own SPEED/SPEED/SPEED! Donuts at Dolly O’s afterwards. Schools out, watch out for children. Also, watch out for OLD CODGERS walking across the street to get their mail.

Trails Group

by Wade Killingsworth

Thanks to all those who attended the seventh annual Trails Open House and a special thank you to Roger and Helen Ekins for their presentation. Roger and Helen showed and discussed images taken from the trails that they have added to their new edition of “The Flumes and Trails of Paradise: Hiking through History on The Ridge.” This new edition is 40% larger than the original and we have it on sale for \$25 – that is an 8% discount from what you would pay at a retail establishment. You may purchase one from me contact me by email – wadethms@aol.com. Part of the profit from the sales will go towards improving trails in our greenbelt. The remainder of the profit will go to Roger and Helen and then they distribute the funds to various charities.

We also have greenbelt-and-trails maps for sale. All profits from the sale of these maps will go to improving our trails. The maps are color, have a gloss finish and are folded for easy transport when hiking. We are selling them for \$10.00 – you may purchase the maps from the front office at The Village, or the pool on the weekends or from me.

We tentative plans for a special trails event in September – look for details in upcoming Nuggets.

This month's hikes will be on two consecutive Saturdays – July 11 and 18. On Saturday July 11 meet at 5:30 PM at Colter and Masterson for our second twilight hike of the year. On Saturday July 18 meet at the end of Milton Court at noon for our annual swimming, picnic and gold panning hike. On this hike we hike down to Little Pearl in the middle of the day – hot, hot, hot – so that we will have the courage to take a dip in our wonderful swimming hole on Little Butte Creek. Bring snacks (or a picnic lunch), swimming suits and I will supply the gold pans.

The purpose of the AC Committee is to assure compliance with the CC&R’s by processing permits and looking into complaints received in order to assure maintenance and the general appearance of lots within the POA are maintained. The POA’s commitment to residents is one of assuring that all association members have the right to enjoy a peaceful and attractive neighborhood. If you’re interested in volunteering for this committee, or if you need a permit or have a complaint, please call Lisa at 873-1114 ext. 22, or come in during ACC office hours Monday-Friday, 8-5.

You can view the ACC Rules and Regulations on our website at paradisepines.org. We can also email/mail you a copy upon request.

Well, in my last month's article I wrote that we hoped to have a big crowd for the **Courtyard Grand Opening/ Luau**. Boy did we ever! We estimate that about 250 people attended and we sold 130 meals. That's a success in my book! **The Revells** were great and even our General Manager, Ray Villar, sounded pretty good when he sang La Bomba with the band. Thank you to everyone that worked so hard to make the event a success.

Now, for our **Concert in the Courtyard**. Another fun night of live music, dancing and good food. We didn't have quite as big a crowd as the Luau but my estimate would be around 150 in attendance. Maybe more, since we sold 120 dinners. If you didn't come to the concert, you really missed out. **Stillwater Savage** played some great country and rock music and the dance floor was packed. Our next **Concert in the Courtyard** is **July 10** featuring **Looking 4 Eleven**. They are another great local band and it will be another fun night.

Sign up your team for the **Horseshoe Tournament** on **July 18**. If all goes well, this will be an annual event.

Kid's Fun Day is **Saturday, August 8**. This year will be bigger and better than last year with more bounce houses, games, food and entertainment. Kirshner's Wildlife Sanctuary will be bringing animals for all to enjoy.

There will be a **Sock Hop** on **Wednesday, August 12**, sponsored by **Girl Scout Troop 70046**. It will be open to all POA families and all registered Girl Scouts. Wear your best 50's or 60's attire and dance your socks off!

Sign ups for the **Annual Yard Sale** start on **July 22**. The **Yard Sale** is **Saturday, August 22**. Get your space early!

Come on out and join us for all the **fun** here at your PPPOA!

Friday Night Dinner Menu

Well it's hard to believe that I have been working at the P.O.A. for ten years on July 1st. I've seen many things and people come and go and I still enjoy the people I work with. There are so many new programs and events to do here at the P.O.A. that are fun and enjoyable. It's been a good ten years hopefully there will be many more to come. Thank You very much. Robin E. Ferry

Please abide by all the Pool Rules for your safety and the safety of others.

Have a wonderful summer!

2015 Election Candidate Statements

Thomas "Tom" Berryman
Member at Large, POA Board of Directors 2012-2013
Secretary, POA Board of Directors 2013-2015

Why do you want to be a Director?: I have always been supportive of community, charity, and country, usually with a checkbook in my working life. Now retired, I have time to actively participate. Serving on the Architectural Control Committee has gained me a number of friends, some of whom have told me that they think I would be an asset to the Board and would contribute well in deliberations.

Qualifications: I served in the US Navy for ten years training pilots, navigators, and radar men in a number of fields: flight and emergency procedures, celestial and radio navigation, and aviation physiology.

I left the Navy to become a field service technician with IBM for 18 years, managing customer service needs at computer installations and earned an Associate of Arts degree in Computer Science at night.

I moved on to instructing in the computer industry, transitioned to course development, then technical writing for a variety of industries: document imaging, medical record management, warehouse center automation, banking services automation, and robotic radiation dosage planning for cancer treatment.

After retiring and moving to Magalia, I volunteered to help out in elections and was appointed as an Inspector, charged with supervising a precinct in Paradise for the next 6 years.

Besides serving on the board these last three years, I have served on the POA Architectural Control Committee for eight years, once as a chairman and twice as a Vice Chairman. I have many friends and acquaintances within the POA whom I can draw on for advice when required.

Goals: To bring a fresh and unique perspective to Board deliberations, drawing on my education and wide variety of observations and experiences. I have been asked to continue on the Board by a number friends and acquaintances and will gladly serve in another term. I have enjoyed serving with the current Board and would enjoy remaining with them should I be privileged to be elected to a second full term.

Jamie Ramey

Why do you want to be a Director?: To bring more family activities.

Qualifications: I was on the Board for preschool to help plan events., and Chair for Mom's Fun Group. I'm a stay at home mom with time to plan events. I worked and volunteered at the POA for many years.

Goals: I would like to see more family activities. It's time for a change! It's time to get younger, it's time to get creative! The staff has started this journey and now it's time for us to finish it. It's time to get out of your houses and enjoy what you're already paying for.

I am very familiar with the POA ins and outs. I have worked with multi million dollar companies and can make some great changes for you at the POA.

Russell A. Moore Sr.

Why do you want to be a Director?: I really DO NOT want to be Director unless we can have at least three other like minded people. I am only going for the position to help give the POA back to the people and reduce dues and end permit fees. If WE do not change the POA to help people, instead of fine them then I say, we do not need the POA.

Qualifications: I was raised all around the world. I have lived in other countries and know what they live with on a daily basis. I worked a career in the Oilfields of So. Cal. Before moving here. I volunteer at many churches and in the community. I served our country in 1996, 97', and 98'. I am now an ACC Board Member, but think more good can be done as Director. I continue to volunteer and help out in our community today.

Goals: I would like to see dues reduced. I would like to see the dues of the people that do not use the POA pool or buildings be cut in half. I would like to see fees for permits gone! If you have to get a permit from the county, why should you get one from the POA!?! I want the rights of the members of the POA given back to the people. Would you like to know that the POA is not taking pictures of you in your backyard? I would! The buses of this POA need to stop!

Pre-Emergency Planning - Personal Preparedness
Sanitation and Hygiene
July 2015

Is your emergency preparedness kit all ready to go?

Another important consideration in being prepared for emergencies is sanitation and hygiene. When assembling sanitation and hygiene items, consider how items will be stored and discarded.

Task this month:

Assemble a sanitation and hygiene kit within the emergency preparedness kit.

The bucket can be used to store items and, if necessary, can be used for a latrine and the re-sealable bags can be used to store items in the kit. Consider storing the following items:

Medium sized bucket with sealable lid	
Washcloth and towel	
Baby wipes	
Bar soap and hand sanitizer	
Shampoo	
Toothpaste, toothbrush and floss	
Comb / Brush	
Deodorant	
Razor and shaving cream	
Sunscreen	
Lip balm	
Insect repellant	
Feminine products	
Disinfectant	
Toilet Paper	
Heavy duty plastic bags and zip ties	
Mirror – can be used for signaling too

Public Safety Committee

Members of the public safety committee recently attended a meeting held by the Magalia-Paradise Community Watch Association (MPCWA). Marcellus Salazar and others have been instrumental toward forming as well as committing to the success of this excellent program. The PPPOA and the Public Safety Committee fully support Marcellus and stand by the MPCWA in the worthy associations efforts now and in the future.

Why a Neighborhood Watch Program?

In recent years, neighborhoods have experienced rapid change. The old, well established neighborhoods have been replaced by a highly transient, growing community where people seek more and more privacy. This life-style tends to promote unfamiliarity with neighbors and a corresponding degree of apathy. Unfortunately, this situation enhances the opportunity for the criminal element and increases the communities vulnerability to crime. Correcting this situation is one of the main objectives of a Neighborhood Watch Program.

What is a Neighborhood Watch Program?

Neighborhood Watch is crime prevention program which enlists the active participation of residents in cooperation with law enforcement to reduce crime in their communities. The program involves the joint efforts of the sheriffs department and the community and is designed to enhance neighborhood security.

What is involved in a Neighborhood Watch Program?

First, neighbors must get to know one another and work together in a program of mutual assistance. Second, residents must be trained to recognize and report suspicious activities in their neighborhoods. Third, members of the neighborhood must implement crime techniques such as a home security.

What are the goals of a Neighborhood Watch Program?

The main objective of Neighborhood Watch is to reduce the incidence of crime in our neighborhoods. This purpose is met by increasing the awareness of burglary and other neighborhood crime through a continuing program of information. Training citizens is another factor useful to the success of the program. Training neighborhood members in the methods of better property security and assisting them in making their property more secure are essential elements of Neighborhood Watch. Development of a neighborhood action program where neighbors help watch each other's property and report suspicious activity to law enforcement agencies is another vital objective of a Neighborhood Watch Program. Finally, the encouragement of all citizens to cooperate with law enforcement agencies is an elemental goal necessary to the success of Neighborhood Watch.

How does one start a Neighborhood Watch Program?

Those interested in forming a Neighborhood Watch Program within the PPPOA are encouraged to contact Marcellus Salazar via (530) 327-8737 or Paula Felipe, Butte County Coordinator for Neighborhood Watch (530) 538-7822.

Anyone interested in becoming a member of the Public Safety Committee is encouraged to attend the next PPPOA Board Meeting for further details.

Upcoming Meetings:

7/27/2015 PPPOA Library @ 7:00 PM

Groups included in this meeting: Cal Fire, The Butte Fire Safe Council, The Magalia and Paradise Neighborhood Watch, and the PPPOA Public Safety Committee.

<div> <p>While working in our gardens, we sometimes are asked what type of plant is putting on a beautiful display at the given point. Most of the plants in the MBA gardens are Perennials that generally live for three years or more, many will die back at the end of summer and form new shoots after a dormant period, each has it's time to shine. One such plant is Coreopsis, they are valued for their daisy like flowers in the shades of gold or yellow, are easily grown and a native to North America. They look striking with Shasta Daisies, love full sun and will grow in poor soil but be forewarned, they need a lot of "dead heading" to keep them looking so lovely. While we're at it, the term "dead-head" refers to remove dead flowers, with two-fold aim of tidying up the plant and preventing it wasting energy in unwanted seed.</p> <p>Another plant of interest is Lychnis, a hardy, old fashioned garden flower, tolerant of poor soil, grows 2-3 feet high, with silver hairy leaves and stems, and has scarlet flowers. There is a white variety as well. I think the plant we get the most questions about has to be the Matilija Poppy. The spectacular plant grows to 8ft, or more, stems and leaves are gray green, white flowers up to 9 in. wide, 5 or 6 petals with texture of crepe paper surround round mass of golden stamens. Blooms May—July, a native to Southern California, it's very difficult to propagate but can be invasive when established. True, we have to keep a firm hand on this beauty, it is a hog of sorts and we cut nearly to the ground in late fall. Some refer to it as the "fried egg plant". Next month we can look at some of the ornamental grasses in our gardens.</p> <p>We celebrated our 18th birthday last month at a luncheon hosted by MBA members Judy and Bob Blue in the their lovely home and garden. They are the hard working couple that take care of garden strip between Golden Pines Plaza and Oak Ridge Plaza, we're lucky to have them in the club.</p> <p>We welcome new members and invite you to join us at our next meeting on Wednesday, July 8. We meet at the Racine Center, on the corner of Wycliff and Racine Circle, Magalia. Social time and refreshments at 12:30 pm and meeting at 1:00pm. There will not be a meeting in August. Visitors are always welcomed.</p> </div>	<div> <p>Selection for review on June 13th was <i>The Spirit Catches You and You Fall Down</i> (Fadiman). There were similar reactions to this non-fiction book about medical treatment in California and its effect on a Hmong family. Barbara Peltola and Norma Allen both expressed feelings of being judgmental about the fact that these immigrants did not understand or learn our language or culture, even when they were in need of medical assistance for a child suffering with grand mal seizures of epilepsy.</p> <p>John Cecil, Elizabeth Brown and Betty Vandergrift did find many parts repetitious but felt the historical section lent insight into the Hmong culture and beliefs. Vi Timmer felt concerned over these people of Laos who were nomadic farmers and had been promised land here in the U.S. in exchange for fighting with us in the Viet Nam war. They were brought over by our government and large groups placed in many areas that did not even offer access to farming. It was noted, however, that at least in our state many were able, in time, to farm and now provide local vegetables and fruits</p> <p>Barbara, Donna Drickey, and John all found it a difficult book due to repeated instances and did not finish reading it. Donna provided the snack of a lemon/lime bundt cake during the break.</p> <p>Recent other reads by members included John Cecil who finished <i>The Martian</i>, as well as biographies, <i>Becoming Steve Jobs</i> (Schlender/Tetzeli) and <i>Tesla</i> (Carlson). Betty is reading <i>The Girl on the Train</i> (Hawkins) and enjoyed Dennis Lehane's <i>The Given Day</i>. Norma shared a book, <i>Odd Otis (Hiatt)</i>, about a dog, deaf and blind, found and taken care of by a Magalia couple. The book is available locally at Kathy's book store in Paradise.</p> <p>Vi Timmer found <i>The Girls of Atomic City</i> (Kiernan) fascinating and interesting as it covered the workers at Oak Ridge Tennessee who were not aware that their work was on the atomic bomb. She is also reading <i>Nightingale</i> (Hannah) about the relationship between two sisters during WWII. Elizabeth read <i>The Whistling Season</i> and plans to read more of the fictional books by Doig set in Montana. She also enjoyed <i>And the Good News Is</i> by Dana Perino, the former Press Secretary for G. W. Bush, and <i>The Wright Brothers</i> by McCullough.</p> <p><i>Unquenchable</i> (Glennon) is the current choice for review on July 11 and is available now at the Paradise Library; this will be followed by <i>Earth Abides</i> (Stewart) in August. Anyone who enjoys reading is welcome to join us in the POA Library on the second Saturday of the month at 10 a.m. Questions? Call Donna at 873-3296.</p> </div>

This month is New officer Installation, and it is always an important meeting. We will welcome in the new board and look forward to continued commitment to our members and communities...and don't forget FUN! Luncheon is catered by Jaki's Hilltop Café, and the price is \$12.50.</p> <p>Come out and join us, and remember it is time to renew your membership for the new year 2015-2016. New members are so very welcome, and annual dues are only \$10.00 per year. To reserve a spot for our July luncheon, please call Jeri DeChellis at 873-1760.</p> </div> </div>

Tuesday Night Bridge	Bunco	POA Line Dance
Play Bridge with us at the POA Library, 6:30 p.m. every Tuesday night, except the 2nd Tuesday every month, when the Board has their public meeting in the Library. Arrangements can be made by calling Ward Habriel @ 877-3435 or Leroy Turner @ 877-2458 .	Our regular play date is the fourth Wednesday in the month except when a Holiday is too close. OUR NEXT PLAY DATE IS JULY 22, 2015 We play at the Racine Center starting at 11:00 a.m. and are usually finished by 2:30 p.m., or earlier. Everyone brings their lunch and we take a break around 12:00 p.m. to eat and socialize.	Learn the basic steps and start line dancing to all different kinds of music; country, Latin, rock, it is good for your mind and body. Studies have found that dancing has been found to help ward off the risk of dementia, including Alzheimer's. The POA has several Line Dance classes. On the second and fourth Tuesdays of the month, at 1:30 p.m., is a review class. On Wednesdays at 10:00 is an Intermediate class for more advanced dancers. There is no fee for classes, but donations are accepted. The POA Line Dancers also hold a Line Dance Party on the third Friday of each month at the POA Recreation Hall. The party starts at 7:00 p.m., and lasts until around 9:00 p.m. We dance all levels of the dances taught in the different classes. We ask that each dancer pay a small admission fee and bring a platter of finger food to share. For more information about classes or fees, please call Sylvia Carter, 872-4563 .
Wednesday Night Bridge	Pinochle Player's News	Remember that line dancing is healthy, happy, and fun, as well as mentally stimulating. See you on the dance floor!
The POA Wednesday Night Bridge Group plays from 6:30 p.m. to 9:30 p.m. every Wednesday night (except Holidays) in the POA Library. Play is by advanced sign-up, and each player needs a regular partner. We play four tables of bridge with six hands of bridge at each table. We play party bridge rules, with winners rotating up to the next table. Prizes are awarded; cost to play is \$2.00. Our level of bridge playing is intermediate to advanced. Individuals wishing to play bridge on Wednesday nights need to contact the monthly chairperson to sign up in advance. Please call Piedie Jewart @ 873-1270 .	We welcome all POA members who like to play single-deck to come join us for an evening of fun and sociability at 7:00 p.m. Friday evenings in the POA Library . No reservations are necessary. Refreshments served at break-time, offering players social time. We need more players. <i>See you at the card game!</i>	
Beginning Hand & Foot Canasta	Tennis	Knit & Crochet
The group meets the first Monday of each month from 10:30 until about 3:30 p.m. in the Library of the POA Administration Building. The game is dependent upon four players per table, so please call Donna Drickey 873-3296 no later than Thursday evening prior to play. Players bring a Lunch, \$1 for prizes, and, this "beginners" day is a great time to brush up or learn this fun and challenging card game.	Weather permits, come and enjoy the POA Tennis Courts, the perfect place to be. Please join us on our great courts and play some tennis. We are always looking for new players. For more information call Mark Springer at 327-8123.	<i>By Betty Garcia</i> Our group meets every Tuesday between 1:00 p.m. and 3:00 p.m. in the POA Library. We are always accepting yarn that you may not need in the future, especially baby yarn for the hats we make for the Birthday Place at Feather River. We make adult hats for the Cancer Center and lap robes for the various convalescent homes in the Ridge area. If you have a project you are making for yourself and would like to work on that, please feel free to join us at our weekly meetings. We also have some very interesting discussions that have nothing to do with knitting or crocheting.
Hand & Foot Canasta	Quilter's Roundup	We go to lunch every last Tuesday of the month to celebrate the birthday of the member, or members, who have a birthday in the month. If you would like any additional information, please feel free to call Betty Garcia at 873-0310.
The Regular Hand & Foot Canasta group meets the third MONDAY in the month. This group is for experienced players and meets in the Library from 10:30 until about 3:00 p.m. It takes four players to a table in order to play, so please call Donna Drickey 873-3296 prior to Wednesday evening before the game.	The Quilter's Roundup meets every Friday at the Racine Center from 10:00 a.m.—3:00 p.m. We sew (you may bring your machine), quilt, cut fabric, exchange patterns, have classes and help each other. We have a table that we don't have to lean over to baste, pin, etc. We have potlucks and go out to eat. We're a friendly group, always willing to help. Come and check us out. Questions? Call 873-0343 or 873-0296
